

# Start Up of National Programme

“Cheryl is an expert NHS RightCare implementer. She has successfully embedded the NHS RightCare approach in organisations a number of times, leading to real improvement and financial sustainability for the economies she works with.

She is also an excellent person to work with.

**Professor Matthew Cripps**  
**National Director**

## Background

NHS RightCare is a new national programme whose primary objective is to maximise value

- the value that the patient derives from their own care and treatment
- the value the whole population derives from the investment in their healthcare

NHS RightCare was established by NHS England to drive improvement in patient outcomes and make efficiencies across 209 NHS organisations.
